Subject :—**Appeal to Ration Card Holders.**

No. R. C. 36-C-228—49-50. It has come to notice that there are a number of irregular ration cards coming under the following main categories in use in Bangalore City and the surrender of these cards to the authorities is being withheld for fear of penal action being taken against the parties concerned :—

A. Card held by more than one member of the same family for the same individuals.
B. Cards standing in favour of or including the names of persons who are actually not present.
C. Cards held by the same individual under different residential addresses.
D. Unauthorised cards which have not been attested by the proper authority.
E. Cards the assignments of which have been cancelled but are still being used.
F. Cards which have come into possession of persons other than the *bonafide* card holders.

II. It is hereby notified for the information of all concerned that if these cards are surrendered to any Food Office in the City or to the Rationing Office for cancellation or rectification either in person or by post on or before 15th August 1949, no action will be taken against such persons.

III. In respect of the cards which cover a larger number of persons than are comprised in the family, the cards surrendered should be accompanied by an application stating the correct number of persons in the family and asking for necessary reduction of the number mentioned on the card. If this is done, the reduction will be effected without any adjustment against the extra rations drawn so far.

IV. If any bogus card is found in possession of any person after that date, *viz.*, 15th August 1949, action against such persons will be taken under the Bangalore City Rationing Regulation, 1943 and the Rules thereunder, apart from cancellation of the card itself. To avoid all such undesirable consequences all residents of Bangalore City are earnestly requested to co-operate with this Department in this all-out effort to regularise issues on Ration Cards.
